

CREATING A SHADOW ART BOX

1

Find a box, baking paper, scissors & sticky tape

2

Cut a square or rectangle shape in the middle of your box with an adult's help

3

**Measure the space
with baking paper**

**Be sure to leave enough
paper to fit over the
edges & cut**

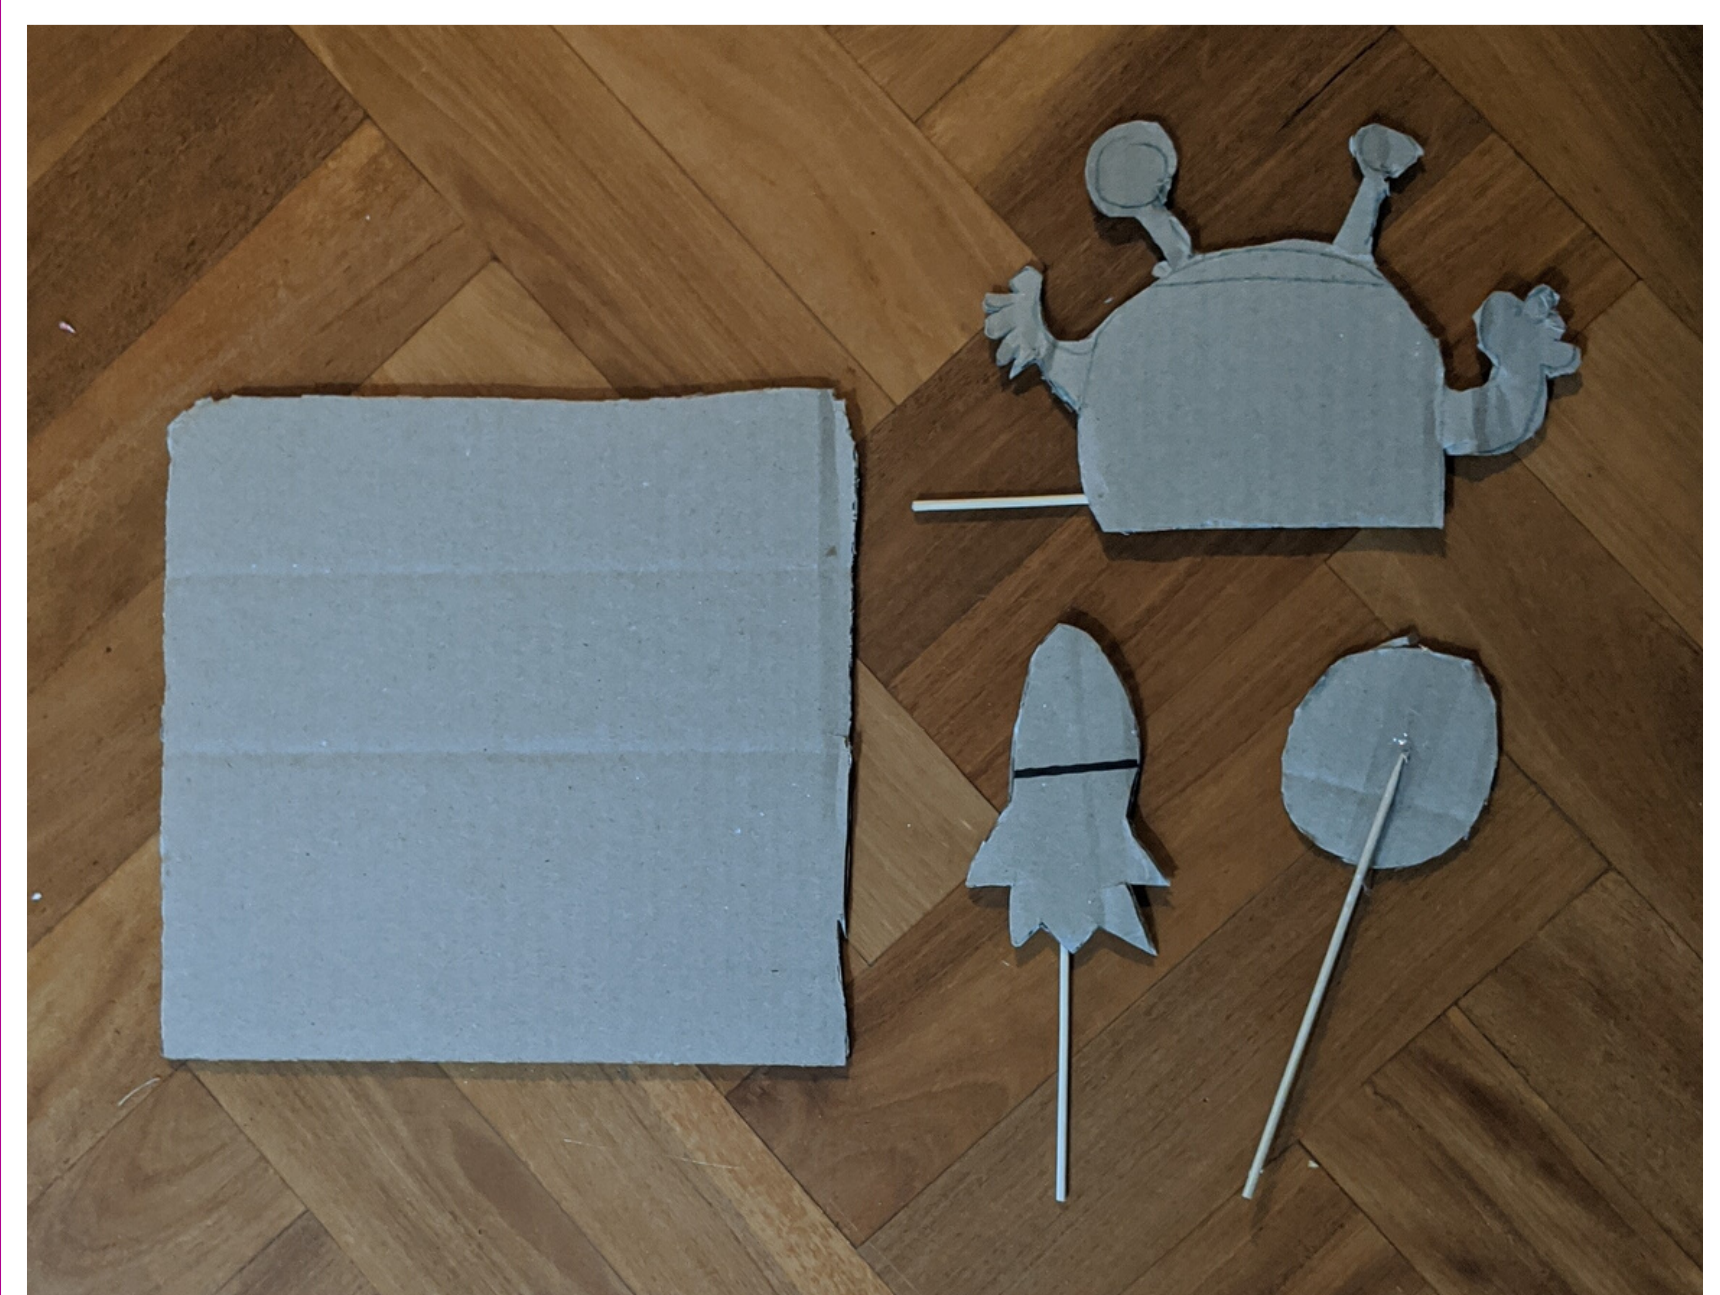

4

**Place paper inside
box to cover the
square/rectangle
shape and stick
edges with tape**

5

Decide on what objects you would like to see in your Shadow Art Box

Use the pieces cut for the screen and create your shadow objects. Stick skewers or pieces of card to the back of each shape

6

Cut a rectangle on the side of the box

7

**Place a torch in the
bottom corner
and turn it on...**

8

**Place your objects
inside to see the
magic**
